

DISTRICT OF COLUMBIA
PUBLIC SCHOOLS

Reminder: Extended Year Last Day of School is Friday, July 13!

The Extended Year School (EYS)
Program aims to eliminate
summer learning loss:

- Extending school beginning in kindergarten, from 180 to 200 days means an extra year of learning by 8th grade;
- Attending school is mandatory (absences without legal reason will be considered unexcused);
- Anticipating a conflict with your student's attendance? Please contact your school so they can support you and your student.

We look forward to finishing the school year strong with you!
